What is a Third Party Event?

Definition of a Third Party Special Event:

A Third Party Event is defined as any fundraising initiative brought forward by an individual, community group, service club, or business external to TAHS (the beneficiary) who wish(es) to raise money or collect donations through a planned activity that is designed, managed and financially resourced by the external participants (the host).

Third Party Event Rules and Guidelines:

1. Please complete the form at least **30 days** before your event or activity for approval. Once the event/activity is reviewed by TAHS staff, Maddy Woolford, Development Associate, will contact you. If the event/activity is approved, we will provide written confirmation of approval. Please note submission of the application does not guarantee approval.
2. If you are wishing to use TAHS's name or logo on any event or activity materials, including advertising and media releases, please contact TAHS for written approval prior to production and/or before they are distributed to the media. TAHS cannot guarantee media interest or coverage of the event/activity nor is it our responsibility to contact the media.
3. Please note that the host is responsible for obtaining appropriate licenses for their event (ie. alcohol, raffles, 50/50 draws, etc).

4. Also, please note that the host is required to handle all monetary transactions for the special event or promotion and to present the proceeds to TAHS. Physical donations can be brought to TAHS at any time or if the items need to be picked up by TAHS, please arrange a pick-up time with us prior to the event.
5. The host cannot hold TAHS responsible for any financial losses incurred in conjunction with any third party fundraising event. Furthermore, the organizing individual/group/company agrees to underwrite all of the costs of the event. TAHS shall incur no costs unless otherwise agreed to in writing prior to the fundraising event.
6. All funds raised at third party events must be donated within 30 days after the event. All checks should be made payable to the Toledo Area Humane Society.
7. **Due to insurance restrictions, TAHS is not able to participate in any therapeutic events with our animals. We also do not consider adoption events to be a third party event. All adoption events are held by the Toledo Area Humane Society or held at our discretion.**
